COMPANY PROFILE

PART 1 – COMPANY PROFILE

1. Introduction

1. 1.0 Executive Summary

Aristocrats Insurance Brokers is an established brokerage firm that caters for the entire insurance business. Relocated to our own building (Aristocrats House) in August 2006, in Lavington, along James Gichuru Road. Nairobi - Kenya.

1.1 Vision and Mission

1.1.1. Vision Statement

To become a reputable company whilst providing security and service to clients in the East African Region.

1.1.2/ Mission Statement

Grow with profitability, providing excellent customer service and good returns to the shareholders.

1.2 Brief History

Aristocrats Insurance Brokers was established in 1992 and has considerable experience in general and life insurance. The Company maintains close contacts with all local insurance companies and others in the region and overseas.

1.3 Company Preference and Policy

Aristocrats prefer to deal with insurance companies that have a strong financial base. The Company guiding policy is to listen to clients and constantly strive to exceed their expectations.

2. Company Information

2.1 Classes of Business Transacted

All General Insurance, Life & Pension, Group Medical and Managed medical schemes.

We are also in touch with Lloyd's Brokers in U.K for any special risks. As Brokers we represent the interest of our clients.

2.2 Capital

The Authorized and paid up capital as per regulations. However, our assets far exceed this amount.

Aristocrats has in the recent times acquired and gone into alliance with other brokers in order to strengthen its financial base and enhance its expertise.
